Looking for a workplace that puts personal development and work/life balance first?

An amazing opportunity exists at Bonsella for Accounting/Commerce students to work part time while gaining valuable practical experience relating to your degree.

About Bonsella

Bonsella is a Chartered Accounting firm based in Canberra. Listed as a Top 100 Accounting firm by the Australian Financial Review, we believe strongly in maintaining close working relationships with our clients, while offering a unique and interesting workplace for our staff. Established over 20 years ago, Bonsella has built a reputation for offering a high-quality service in the market. We encourage direct mentorship for our staff and offer a fun, challenging and professional workplace in a modern office.

About the program

Can I undertake the program whilst studying?

Yes, the role is a flexible part-time position (minimum 32 hours per week) which can be undertaken while studying. There is opportunity to increase workload to full time during uni breaks.

What professional development will I receive?

Along with gaining valuable practical experience whilst undertaking your tertiary studies, you will receive mentoring and training from experts in the accounting field.

Will I receive financial support/entitlements?

We will provide \$500 allowance per year for textbooks and/or union fees. Standard employment entitlements apply (including sick leave, annual leave). You will also receive 1.5 days of paid leave per unit, per semester (capped at 9 days per annum). We will also provide flexible working arrangements around exam times, fun social activities, snacks and coffee, and a great modern workspace.

What are the requirements to apply?

You must be:

- Eligible to work in Australia
- Studying a degree that relates to Commerce and/or Accounting
- Available to work a minimum of 32 hours per week
